- MEDIA ADVISORY -

Explosive noise on Camp Blanding will increase July 25-29

WHO – Florida National Guard and Dept. of Military Affairs

WHAT – The Camp Blanding Joint Training Center will have explosions on the post near Starke, Fla., as the Florida Army National Guard will be conducting field artillery training with 155mm and 105mm howitzer rounds.

WHEN – July 25-29, 2017

WHERE – South post, Camp Blanding

As usual, The Florida National Guard continues to make every effort to minimize noise but there are times such as this when noise may seem louder than normal to the public, and as the wind direction shifts.

Residents near the training center can discuss noise concerns with Camp Blanding's Range Control Office at (904) 682-3351 or the Florida National Guard Public Affairs Office at (904) 823-0166.
